

RETAIL CUSTOMER

Retail Customers purchase for their own use and do not retail products or enroll others.

benefits

Order at Retail price directly from the company at your convenience and your orders are sent directly to you.

how to join

With your Visa or Mastercard, you may join online at www.youngliving.com.au or by phone on 07 3715 7333. Please say that you wish to join as a Retail Customer and provide the member number of the person who is enrolling you. Alternatively, you may join by submitting an order form with the “Joining Order for Retail/PrefCust” box ticked and all necessary details completed.

other options

- You can save 12% by enrolling in the monthly automatic order programme (Autoship). See Preferred Customer.
- You may convert to a Distributor Member if desired by completing an Application and Agreement form (tick the box where it says “Converting to Distributor”), and at the same time placing a distributor joining order.

PREFERRED CUSTOMER

Preferred Customer is the name given to Retail Customers who are enrolled in the monthly Autoship programme.

benefits

Preferred Customers save 12% off Retail prices. If Preferred Customers cancel their autoship enrollment, they revert to Retail Customer status and pricing for further orders, unless they re-enroll in the autoship programme.

how to join

Submit your order form indicating Autoship Enrollment, your preferred autoship date each month and the items that will be your autoship. At least 50PV is required for an autoship order. Refer to Autoship Policies on the pricelist. If this is your very first order, also tick the “Joining Order for Retail/PrefCust” box and complete all necessary details. You may join online but your membership will not switch from Retail Customer to Preferred Customer until the necessary order form has been received and processed. Any orders placed before this will attract Retail Customer prices.

other options

- You may convert to a Distributor Member if desired by completing an Application and Agreement form (tick the box where it says “Converting to Distributor”), and at the same time placing a distributor joining order.

DISTRIBUTOR

Distributors develop retail sales, enroll others as Young Living members and participate in the compensation plan and bonuses.

benefits

Distributors save 24% off Retail prices and have the opportunity to earn on product sales through the various income streams available through the compensation plan and additional bonuses.

how to join

Complete the Application and Agreement form and send it through together with your distributor joining order of the Start Living Kit (Code 110002) + products of your choice.

Online joining is also available (Visa/Mastercard required). The Application form that is provided to you during this online joining process needs to be signed and faxed or posted to our office so that it reaches us within 30 days of the time of joining. If you would like to also enroll in the Autoship programme and enjoy its many benefits, please fax or post a separate order form with your Autoship requirements and details completed (your joining order cannot be an Autoship). Autoship enrollment is not available online.

MORE INFO

Your distributor will assist you with forms you may need and will provide you with their member number to use as your enroller/sponsor number when you join. These forms are also available in the Opportunity area at www.youngliving.com.au.

If you prefer to join online, we recommend that you decide which products you'd like to try before clicking on the Join Now link.
